

WELCOME TO THE DOMAINE DE L'ENVOLEE !

In the heart of the Languedoc region between Béziers and Montpellier, the Domaine de l'Envolée covers 6 hectares. It's an authentic and friendly place to stay, where you can meet up with family or friends in one of our charming lodges.

The estate produces four red wines, one rosé and one white wine with the Côtes de Thongue Protected Geographical Indication. Our wines are real pleasures, delicious, fruity and full of finesse and freshness. **Wines that we want to share, wines that smell of the south.**

OUR STORY:

Domaine de l'Envolée is first and foremost the story of two people who are passionate about vines and wine. It was in 2012 that Alix and Christophe set about restoring an abandoned estate. Over the years, they acquired plots of vines and equipment, and it was in 2020 that they created their first vintages.

THE VINEYARD

Situated in the heart of the Côtes de Thongue Protected Geographical Indication, the vineyard covers 6 hectares. Keen to produce a quality wine that respects the environment, the vineyard has been committed to converting to Organic Farming since 2020.

Every year, they replant hedges and trees to encourage biodiversity.

THE LODGES

With a breathtaking view over the Cévennes and in particular the Pic de Vissou, their lodges can each accommodate 4 to 6 people. As soon as you arrive, let the magic happen : a warm, personalised welcome, and wine tasting during your stay : a unique opportunity to live at the pace of a wine estate, to meet the people who make the wine and to chat with them.

OUR WINES

Our Prélude range, fresh and light for all your social occasions!

PRELUDE BLANC

100% rolle - A complex bouquet that evokes the South. Luscious notes of William's pear, fresh pineapple and menthol in a tonic balance.

DRÔLE D'OISEAU

An atypical blend of Merlot, Marselan and Syrah that delivers freshness, lovely fruit and silky tannins. A wine out of the ordinary, an original!

PRELUDE ROSE

A blend of marselan, cinsault and vermentino. A promise of freshness with aromas of redcurrant and tart red berries.

VOLUPTÉ

A blend of Syrah (70%) and Merlot (30%). The aromatic bouquet is fresh and reminiscent of the nearby garrigue.

PRELUDE ROUGE

A blend of syrah (35%), mourvèdre (35%), marselan (15%) and vermentino (15%). A dazzling nose of garriguetta strawberry, peony and cherry. A crisp, juicy wine that whets the appetite !

L'AUDACIEUSE

The bold combination of Merlot and Syrah, two grape varieties with different origins, produces a wine that is expressive and aromatically complex (burlat cherry, zan, plum, peony and cinnamon).
