Otherwise, there are more than 10 different beaches, some of the most beautiful fine sandy beaches in the region, long and very wide, each with its own atmosphere. Of these, the beaches of Richelieu and Grande Conque are considered by many to be the best. The beach at Le Môle is perfect for children.

### Valras - 28 km away (32 min)

To the west of Sérignan, Valras is a typical seaside resort with lots of restaurants and shops. There's a play area on the sand, a children's club and the harbour for a stroll. The beach itself is 4km long and offers many water-based leisure activities. A very safe beach for swimming.

### Leucate - 84 km away (55 min)

Leucate plage is a lovely surprise, reminiscent of Australian coastal towns - with houses built on a pine-covered hill. There are two beaches: the main one just opposite, and a much smaller beach, accessible by climbing the rocks, often frequented by naturist bathers.
